Hi Latonya:

Karl mentioned this meeting to me on the phone, also a possible meeting on June 26th with the Missouri Coalition for the Environment.

We offered Congressman Clay's office as a site for that one, if needed.

Please let me know what else we can do on this end to support your team.

Please disregard the invitation.

Thanks.

Julia:

As I indicated over the phone, the meeting was set up by the Office of the Missouri Attorney General so I only know the participants I have been told about. This is what I know:

Missouri DNR: Aaron Schmidt—Deputy Director, Department of Environmental Quality, MDNR

Chris Nagel—Solid Waste Management Program Director, MDNR

Office of the Missouri Attorney General:

Joe Bindbeutel

Jessica Blome

USEPA: Karl Brooks, Regional Administrator

Brandon Doster—Federal Facilities—Superfund Division

Kristina Gonzalez—Legal Counsel's Office (participating by phone)

Audrey Asher—Legal Counsel's Office (participating by phone)

Republic Services: Jessie Merrigan, Lathrop & Gage

Potentially others

Lambert-St. Louis International Airport:

Gerard Slay, Airport Senior Deputy Director

Cornell Mays, Deputy Director of Planning and Development

Joletta Golik, Environmental/Safety Manager

Mario Pandolfo, Legal Counsel

Amy Wachs, Husch Blackwell LLP (Airport environmental counsel)

Pablo Nuesch, Spiegel & McDiarmid LLP (Airport FAA counsel, participating by phone)

I am happy to be a contact person. My cell phone number is: 636-448-3320. It looks like I gave you an incorrect address for the office building. The correct address is: 11495 Navaid Road. This can be found better on Google maps. Directions to the building from the intersection of I-70 and Lindbergh Blvd (Hwy. 67) are as follows:

Exit I-70 at Lindbergh (Hwy. 67) and take Lindbergh Blvd. North. Go through the tunnel and at the first stop light after the tunnel, turn right. Take an immediate right on Banshee Rd. Banshee Rd. terminates at Navaid Rd. Take a left at Navaid Rd. The Airport Office Building is on the left just after the intersection. It is 4 stories high and is the highest building in the area. The parking lot is at the side of the building.

Thanks.

Amy
